ADMISSION REQUIREMENTS FOR ACADEMIC YEAR 2026/2027

UNDERGRADUATE PROGRAMMES

MINIMUM ENTRY REQUIREMENTS

The minimum requirements for admission to any Undergraduate degree programme are:

- Uganda Certificate of Education (UCE) or its equivalent with at least 5 passes.
- Uganda Advanced Certificate of Education (UACE) or its equivalent with at least 2 principal passes.
- Diploma holders must have passed with at least a credit or equivalent.
- For Mature Age Entry Scheme, applicant Must be 25 years at the time of application and above and fulfill the Mature Age Entry Scheme requirements of Mbarara University of Science and Technology.
- Holders of the Higher Education Access Certificate must have passed with a minimum CGPA of 3.60.

The minimum requirements for admission to any Diploma programme are:

- Uganda Certificate of Education (UCE) or its equivalent with at least 5 passes
- Uganda Advanced Certificate of Education (UACE) or its equivalent with at least 1 principal pass and two subsidiary passes.
- Certificate holders must have passed with at least a credit or equivalent.
- Holders of the Higher Education Access Certificate must have passed with a minimum of a Credit.
- For Mature Age Entry Scheme, applicant Must be 25 years at the time of application and above and fulfill the Mature Age Entry Scheme requirements of Mbarara University of Science and Technology.

Additionally, for international applicants:

- Applicants whose first language or medium of instruction is not English, must provide evidence from a recognized English language training institution that they have sufficient command of English language.
- Applicants should have their documents equated by Uganda National Examinations Board (UNEBC) for UCE and UACE documents and Uganda National Council for Higher Education (NCHE) for Diploma and Certificate documents.

SPECIFIC ENTRY REQUIREMENTS

A. FACULTY OF AGRICULTURE, ENVIRONMENT AND VETERINARY SCIENCES

I. Bachelor of Science in Agriculture and Livelihoods (Duration 4 years)

Direct Entry

Two principal passes at UACE or its equivalent with one being in the following subjects: Agriculture, Foods and Nutrition, Biology or Chemistry and at least a subsidiary pass in any other A' Level subject

Diploma Entry

Diploma in any Agricultural related field

Higher Education Access Certificate (HEAC)

Holders of HEAC are eligible to apply to be considered for admission to the program. The admission decision will be based on performance in HEAC and whether they meet the specific admission requirements for the programme.

B. FACULTY OF APPLIED SCIENCES AND TECHNOLOGY

I. Bachelor of Biomedical Engineering (Duration 4 years)

Direct Entry

Two principal passes in either Physics, Biology or Mathematics, and at least a subsidiary pass in any other A' Level Subjects.

Diploma Entry

- a) Diploma in Civil Engineering, Electrical Engineering, Telecommunications Engineering, Mechanical Engineering, Electronics Engineering, Mechatronics Engineering, Computer Engineering
OR
- b) A Diploma in a relevant Medical Technology.
OR
- c) Other Diplomas approved by the University to be equivalent to any of those stated above.

II. Bachelor of Engineering in Electrical and Electronics Engineering (Duration 4 years)

Direct Entry

Two principal passes in Physics and Mathematics, and at least a subsidiary pass in either Chemistry, Geography, Entrepreneurship, Technical Drawing, Economics or Biology.

Diploma Entry

- a) Diploma in Civil Engineering, Electrical Engineering, Telecommunications Engineering, Mechanical Engineering, Electronics Engineering, Mechatronics Engineering, Computer Engineering
OR
- b) Other Diplomas approved by the University to be equivalent to any of those stated above.

III. Bachelor of Science in Petroleum Engineering and Environmental Management (Duration 4 years)

Direct Entry

Two principal passes in either Mathematics, Chemistry or Physics, and at least a subsidiary pass in any other A' level Subject

Diploma Entry

- a) Diploma in Civil Engineering, Electrical Engineering, Telecommunications Engineering, Mechanical Engineering, Electronics Engineering, Mechatronics Engineering, Computer Engineering
OR
- b) Other Diplomas approved by the University to be equivalent to any of those stated above

IV. Bachelor of Science in Civil Engineering (Duration 4 years)

Direct Entry

Two principal passes in Mathematics and Physics and at least a subsidiary pass in Chemistry, Economics, Geography, Technical Drawing, Entrepreneurship.

Diploma Entry

Diploma in Civil Engineering **OR** any relevant Diploma in Engineering

V. Bachelor of Science in Mechanical and Industrial Engineering (Duration 4 years)

Direct Entry

Two principal passes in Mathematics and Physics and at least a subsidiary pass in Chemistry, Economics, Geography, Technical Drawing, Entrepreneurship

Diploma Entry

Diploma in Mechanical Engineering **OR** Any other diploma that has both Mathematics and Physics as core components,

C. FACULTY OF BUSINESS AND MANAGEMENT SCIENCES

I. Bachelor of Business Administration (Duration 3 years)

Direct Entry

Two principal passes at A'level with at least one being either in Economics Entrepreneurship or Mathematics

Diploma Entry

Hold UDBS or ODBS or HFM Diploma recognized by the University or must have completed at least level one of CPA, ACCA, or CIMA

Higher Education Access Certificate (HEAC)

The applicant should possess HEAC with at least a credit in relevant subject from a recognized university.

II. Bachelor of Science in Accounting and Finance (Duration 3 years)

Direct Entry

Two principal passes at A'level with at least one being either in Economics or Mathematics and a credit in Mathematics at UCE or Subsidiary Mathematics at A'level

Diploma Entry

Hold UDBS or ODBS or HFM Diploma recognized by the University or must have completed at least level one of CPA, ACCA, or CIMA

Higher Education Access Certificate (HEAC)

The applicant should have passed the Higher Education Access Certificate (HEAC) with at least a credit.

III. Bachelor of Science in Economics (Duration 3 years)

Direct Entry

Two principal passes at A'level with at least one being either in Economics or Entrepreneurship or Mathematics and a credit in Mathematics at UCE or Subsidiary Mathematics at A'level

Diploma Entry

Hold UDBS or ODBS or HFM Diploma recognized by the University or must have completed at least level one of CPA, ACCA, or CIMA

IV. Bachelor of Science in Procurement and Supply Chain Management (Duration 3 years)

Direct Entry

Two principal passes in any A'level subjects

Diploma Entry

Hold a Diploma in Business related field with a Credit score from a recognized institution

V. Bachelor of Science in Planning and Community Development (Duration 3 years)

Direct Entry

Two principal passes at A'level

Diploma Entry

Diploma in any relevant field

Higher Education Access Certificate (HEAC)

Holders of HEAC are eligible to apply to be considered for admission to the program. The admission decision will be based on performance in HEAC and whether they meet the specific admission requirements for the programme

D. FACULTY OF COMPUTING AND INFORMATICS

I. Bachelor of Science Computer Science (Duration 3 years)

Direct Entry

Two Principal Passes one of which **MUST** be in Mathematics and the other in any of the following subjects: - Physics, Chemistry, Economics and/or Entrepreneurship

Diploma Entry

Diploma in any related field

II. Bachelor of Information Technology (Duration 3 years)

Direct Entry

Two principal passes in any 'A' level subjects and a credit in Mathematics at 'O' level (UCE) or Subsidiary Mathematics at A' level

Diploma Entry

Diploma in any ICT field

III. Bachelor of Science in Software Engineering (Duration 4 years)

Direct Entry

Two principal passes at A'level with one being in Mathematics and the other in any other A'level subject

Diploma Entry

Hold a Diploma in a related field

E. FACULTY OF HEALTH SCIENCES

I. Advance diploma in child and adolescent mental health (Duration 2 years)

- a) Degree or Diploma in Health Science, Social Sciences, Education or Psychology from an accredited institution.
- b) Evidence of a special interest and/or prior experience of working with children and adolescents.
- c) The trainee must be able to commit time to study and to undertake clinical work with children on a weekly basis at their workplace throughout the programme.
- d) They should demonstrate basic Information Technology skills such as use of email, Microsoft word and Microsoft excel.

II. Bachelor of Medical Laboratory Science (Duration 4 years)

Direct Entry

Two principal passes in Biology and Chemistry and at least Subsidiary Pass in either Physics or Mathematics

Diploma Entry

- a) Diploma in Medical Laboratory Technology from a recognized institution.
- b) Registered with Allied Health Professionals' Council
- c) Submit two reference reports one from current employer(s) and the other from the institution where the Diploma training was done.
- d) Sit and pass an entrance examination consisting of written papers in Clinical Chemistry, Haematology & Blood Transfusion, Histopathology, Microbiology, and Parasitology.

III. Bachelor of Medicine and Bachelor of Surgery (Duration 5 years)

Direct Entry

Two principal passes in Biology and Chemistry and at least Subsidiary Pass in either Physics or Mathematics

Diploma Entry

- a) Diploma in any Bio-medical Sciences.
- b) Be registered by the Allied Health Professionals' Council or the Uganda Nurses and Midwives' Council
- c) Preference will be given to those with experience of working under primary health care in a rural setting
- d) The candidates who meet the above criteria will be required to sit and pass for an entrance examination in General Paper, Anatomy, Microbiology, Pharmacology and Physiology

Degree Entry

An honors degree in a bio-medical or biological sciences field

IV. Bachelor of Nursing Science (Duration 4 years)

Direct Entry

Two principal passes in Biology and Chemistry and at least Subsidiary Pass in either Physics or Mathematics

Diploma Entry

- a) Registered Nurses or Midwives or Comprehensive Nurses or Psychiatric Nurses or Paediatric Nurses
- b) Registered or eligible for registration with Uganda Nurses and Midwives Council
- c) Should have passed science subjects especially Mathematics and Chemistry at 'O' level
- d) Sit and pass an entrance examination in Anatomy, Physiology, Microbiology and General Paper

V. Bachelor of Pharmacy (Duration 5 years)

Direct Entry

Two principal passes in Biology and Chemistry and at least Subsidiary Pass in either Physics or Mathematics

Diploma Entry

- a) Diploma in Pharmacy.
- b) Should have passed Biology, Chemistry, Mathematics and English at O' Level with at least a credit.
- c) Sit and pass an entrance examination consisting of three written papers in Pharmacology, Pharmaceutics, Pharmaceutical Chemistry, Natural products, Introduction to Dispensing and Physiology

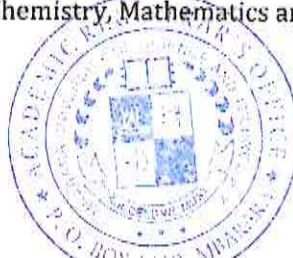

VI. Bachelor of Science in Pharmaceutical Sciences (Duration 3 years)

Direct Entry

Two principal passes, one in Chemistry and the other in any one of Biology, Physics or Mathematics.

Diploma Entry

- a) Diploma in Pharmacy or Diploma in Science Laboratory Technology.
- b) Should have passed Biology, Chemistry, Mathematics and English at O' Level with at least a credit

VII. Bachelor of Science in Physiotherapy (Duration 4 years)

Direct Entry

Two principal passes in Biology and one of either Physics or Mathematics

Diploma Entry

- a) Diploma in any one of the following: Occupational Therapy, Orthopaedic Medicine, Clinical Medicine, Orthopaedic Technology, Exercise Science, Nursing or Sports Science.
AND
- b) At least a credit in Biology, Chemistry, Physics and Mathematics at O' Level or its equivalent

Diploma Entry (Completion)

Diploma in Physiotherapy

F. Faculty of Science

I. Higher Education Access Certificate (Biology & Chemistry) (Duration 1 year)

Direct Entry

A subsidiary pass in Biology and Chemistry

II. Higher Education Access Certificate (Chemistry & Mathematics) (Duration 1 year)

Direct Entry

A subsidiary pass in Chemistry and Mathematics

III. Higher Education Access Certificate (Physics and Mathematics) (Duration 1 year)

Direct Entry

A subsidiary pass in Physics and Mathematics

IV. Diploma in Science Laboratory Technology (Duration 2 years)

Direct Entry

A principal pass in Biology, Chemistry or Physics and a pass in Mathematics obtained at Uganda Certificate of Education (UCE) or its equivalent

Certificate Entry

Certificate in Science Laboratory Technology with at least a credit pass or its equivalent from a recognized institution

V. Bachelor of Science with Education (Physical) (Duration 3 years)

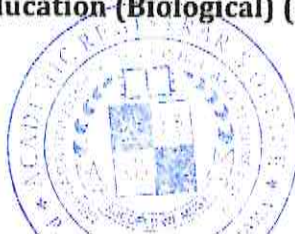

Direct Entry

Two principal passes in Mathematics and Physics

Diploma Entry

Diploma in Science Education

VI. Bachelor of Science with Education (Biological) (Duration 3 years)

Direct Entry

Two principal passes in Biology and Chemistry

Diploma Entry

Diploma in Science Education

VII. Bachelor of Science with Education (Chemistry/Maths) (Duration 3 years)***Direct Entry***

Two principal passes in Mathematics and Chemistry

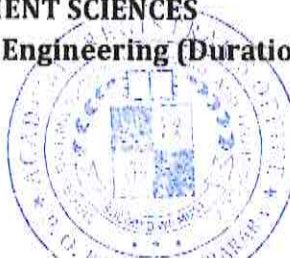

Diploma Entry

Diploma in Science Education

POSTGRADUATE PROGRAMMES**MINIMUM ENTRY REQUIREMENTS**

The minimum requirements for admission to any Postgraduate degree are:

- a) Uganda Certificate of Education (UCE) or its equivalent with at least 5 passes
- b) Uganda Advanced Certificate of Education (UACE) or its equivalent with at least 2 principal passes.
- c) An Honors degree from an accredited degree awarding institution
- d) Candidates who have a Pass degree should have at least a Postgraduate Diploma with at least a credit from an accredited degree awarding institution.
- e) Two letters of reference, with one being from current or former employer.
- f) For applicants to clinical programmes;
 - i. Have certified documentary evidence of Internship Training indicating disciplines and dates.
 - ii. Be registered or eligible for registration with relevant professional bodies such as Uganda Medical and Dental Practitioners Council, Uganda Nurses and Midwives Council, etc.
 - iii. A current certificate of good standing with the Medical Practitioners' Council of the country of registration.
- g) Additionally, for international applicants:
 - i. Applicants whose first language or medium of instruction is not English, must provide evidence International English Language Testing System (IELTS) test done within the previous 24 months with a minimum score of 6.5 in each domain, that is writing, listening, speaking and reading.
 - ii. Applicants should have their documents verified by National Council for Higher Education (NCHE).
 - iii. Applicants should have their degree certificate and transcript translated and converted into an equivalent of Ugandan Universities' CGPA by National Council for Higher Education (NCHE)

SPECIFIC ENTRY REQUIREMENTS**I. FACULTY OF BUSINESS AND MANAGEMENT SCIENCES****I. Master of Science in Biomedical Engineering (Duration 2 years)**

An honors degree in Biomedical Engineering, Electrical Engineering, Mechanical Engineering, Chemical Engineering, Software Engineering, Physics, or Applied Mathematics.

II. Master of Science in Mechanical Engineering (Duration 2 years)

An honors degree in engineering (mechanical, industrial, mechatronics, agricultural, electrical, and biomedical) or science-related fields from a recognized university.

II. FACULTY OF BUSINESS AND MANAGEMENT SCIENCES

I. Master of Business Administration (Duration 2 years)

An honors degree in any field

III. FACULTY OF COMPUTING AND INFORMATICS

I. Postgraduate Diploma in Health Information Technology (Duration 1 years)

At least a Second Upper Postgraduate Diploma in Information Technology, Computing-related area, a healthcare related Postgraduate field.

OR

A bachelor's degree in Computer Science/Information Technology/Information Systems/Computer Engineering/Software Engineering or any other computing related field or other STEM-related degree.

OR

A bachelor's degree in Medicine, Nursing, Dentistry, Pharmacy and any other health care-related degree.

II. Postgraduate Diploma in Information Systems (Duration 1 years)

A degree in Information Systems or Computer Science or Software Engineering or Information Technology or Computer Engineering.

OR

A degree in any other related field with evidence of having taken acceptable courses in information systems.

III. Master of Science in Health Information Technology (Duration 2 years)

An honors degree in health care related field (e.g Medicine, Nursing, Pharmacy, Dentistry) or Statistics, Computer Science, Engineering, Mathematics, Information Technology.

IV. Master of Science in Information Systems (Duration 2 years)

An honors degree in Information Systems or Computer Science or Software Engineering or Information Technology or Computer Engineering

OR

Any other degree with evidence of having taken acceptable courses in information systems.

IV. FACULTY OF HEALTH SCIENCES

I. FELLOWSHIP IN UROGYNAECOLOGY AND FEMALE PELVIC FLOOR RECONSTRUCTIVE SURGERY (Duration 2 years)

- a) A degree in Bachelor of Medicine and Bachelor of Surgery (MBChB) from an accredited degree awarding institution
- b) A degree in Master of Medicine in Obstetrics and Gynaecology from chartered degree awarding institution
- c) Minimum CGPA of 2.8
- d) Applicants should have documentary evidence of Internship Training indicating disciplines and dates
- e) Applicants should be registered or eligible for registration with Uganda Medical and Dental Practitioners Council.

II. Master of Medical Laboratory Science (Duration 2 years)

An honors degree in Medical Laboratory Science

III. Master of Medicine in Anaesthesiology and Critical Care (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
- b) Overall rating of the undergraduate grades in physiology, biochemistry, pharmacology, and internal medicine as passed.
- c) Submission of 2 letters of reference, one from a current employer.
- d) The Department may conduct in-person, written or teleconference interview of the applicant to assess their fitness for admission.

IV. Master of Medicine in Community Practice and Family Medicine (Duration 3 years)

An honors degree of Bachelor of Medicine and Bachelor of Surgery.

V. Master of Medicine in Dermatology (Duration 3 years)

An honors degree of Bachelor of Medicine and Bachelor of Surgery.

VI. Master of Medicine in Otolaryngology (Ear, Nose and Throat) (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
- b) Evidence of having had an Otolaryngology rotation in undergraduate medical school with a minimum grade B.
- c) An applicant may earn bonus points if they have a one-year rotation in a surgical field and work experience within the field of Otolaryngology.
- d) Passed subjects of interest (general surgery and anesthesia) with minimum grade of C.
- e) Candidate should have a one-page personal statement indicating their motivation for joining the Otolaryngology programme at MUST.
- f) Candidate may be interviewed to determine his/her aptitude.

VII. Master of Medicine in Emergency Medicine (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
- b) A year of post internship experience relevant to Emergency Medicine

- c) Where necessary, evidence of an excellent general knowledge base of medicine assessed by a pre-course exam.
- d) Detailed curriculum vitae.

VIII. Master of Medicine in General Surgery (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
- b) Employment as a medical officer for at least two years after full registration is compulsory.

IX. Master of Medicine in Internal Medicine (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
- b) Overall rating of the undergraduate grades in Internal Medicine as passed.
- c) At least one year of clinical practice as a medical officer.
- d) Where necessary, the department may interview a candidate to assess fitness for admission.
- e) Detailed curriculum vitae.

X. Master of Medicine in Neurosurgery (Duration 6 years)

- a) A Bachelor of Medicine and Bachelor of Surgery degree or equivalent from an accredited degree awarding institution with a minimum CGPA of 3.50.
- b) Registered with the relevant medical licensing body in the candidate's country.
- c) Certificate of good standing from the medical licensing body.
- d) Must have worked for at least 1 year after the first registration, preferably in a hospital setting offering Surgical Services.
- e) Having worked in a Neurosurgical center is an added advantage.
- f) Letters from 2 referees (One academic, one professional).
- g) The program will cater for credit exemption for Master of Medicine General Surgery graduates MCS or FCS-Neurosurgery from a recognized training institution.
- h) The candidate must pass a pre-entry written and oral exam offered by the Division of Neurosurgery either Physically or online. An honors degree of Bachelor of Medicine and Bachelor of Surgery.

XI. Master of Medicine in Obstetrics/Gynaecology (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
- b) Has been in recognized institution for at least one year after full registration.
- c) Should not have retaken Obstetrics and Gynecology at undergraduate level.
- d) An applicant shall earn bonus points based on their performance in Obstetrics and Gynecology.

XII. Master of Medicine in Ophthalmology (Duration 3 years)

An honors degree of Bachelor of Medicine and Bachelor of Surgery.

XIII. Master of Medicine in Paediatrics & Child Health (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.

- b) A grade point 3.0 or letter grade C and above or its equivalent in undergraduate courses in Paediatrics and Child Health.

XIV. Master of Medicine in Pathology (Duration 3 years)

An honors degree in Bachelor of Medicine and Bachelor of Surgery.

XV. Master of Medicine in Psychiatry (Duration 3 years)

- a) An honors degree of Bachelor of Medicine and Bachelor of Surgery.
b) At least one year of clinical practice after graduation.

XVI. Master of Public Health (Duration 2 years)

An honors degree in Health Sciences i.e. Human Medicine, Veterinary Medicine, Dentistry or Nursing, Environmental Sciences, Biology, Laboratory Sciences, with at least two years of relevant field experience.

OR

An honors degree in Social Sciences e.g. Social Work, Sociology, Economics, Demography, with at least two years of relevant field experience.

OR

An honors degree in the Biological Sciences such as Statistics, Environmental Sciences, with at least two years of relevant field experience.

XVII. Master of Science in Anatomy (Duration 2 years)

An honors degree in Health Sciences i.e. Human Medicine, Veterinary Medicine, Dental Surgery, or Human Anatomy and Zoology

XVIII. Master of Science in Biochemistry (Duration 2 years)

An honors degree in Health Sciences with Biochemistry as a cognate subject and minimum CGPA of 3.0

OR

An honors degree in Biological Sciences with evidence of having passed basic biochemistry course in the said programme and a minimum CGPA of 3.0.

OR

An honors BSc. degree with a major in Biochemistry and a minimum CGPA of 3.0

OR

An honors degree in Environmental Sciences with Biochemistry as a cognate subject and minimum CGPA of 3.0

XIX. Master of Science in Medical Microbiology (Duration 2 years)

- a) An honors degree in Medicine, or Dental Surgery, or Nursing, or Medical Laboratory Science, or Biomedical Laboratory Technology or Veterinary medicine or, Biomedical Sciences or, Pharmacy or, Pharmaceutical Science.
b) Must be registered with respective professional body.

XX. Master of Science in Pharmacology (Duration 2 years)

An honors degree in Health Sciences i.e. Human Medicine, Veterinary Medicine, Pharmacology, Pharmacy, Nursing, Biochemistry, Physiology or relevant field such as Botany and Zoology.

XXI. Master of Science in Physiology (Duration 2 years)

An honors degree in Medicine and Surgery

OR

An honors degree in Health Sciences or Biological Sciences i.e. Human Medicine, Veterinary Medicine, Dentistry or Nursing and relevant field experience

XXII. Master of Pharmacy (Clinical Pharmacy) (Duration 2 years)

- a) An honors degree in Pharmacy or equivalent
- b) Evidence of completion of internship and registration with a pharmacy professional body
- c) Motivation letter indicating why you are pursuing this programme
- d) Two letters of recommendation from employer and former university

XXIII. Master of Science in Pharmacognosy and Natural Medicine Sciences (Duration 2 years)

An honors degree in Health Sciences, Chemistry or Biological Sciences

XXIV. Master of Nursing Science [Critical Care Nursing or Community Midwifery & Reproductive Health or Mental Health Nursing or Paediatric Clinical Nursing] (Duration 2 years)

- a) An honors degree in Nursing (BNSc, BSN or BSc.N) with a minimum of CGPA of 2.8.
- b) Candidate must have scored at least 60% in the track being applied for at undergraduate level exams.
- c) A recommendation from a former lecturer indicating the candidate's capacity and potential to pursue advanced studies in nursing.
- d) A written statement indicating areas of research interest and a 5-year personal development plan indicating specific future professional goals.
- e) At least one year of clinical practice as a registered nurse

FACULTY OF SCIENCE

I. Master of Education in Curriculum, Instruction and Media Studies (Duration 2 years)

An honors degree of Bachelor of Arts with Education or Bachelor of Science with Education.

OR

An honors degree of Bachelor of Arts or Bachelor of Science with a Postgraduate Diploma in Education.

II. Master of Education in Educational Administration and Planning (Duration 2 years)

An honors degree of Bachelor of Arts with Education or Bachelor of Science with Education.

OR

An honors degree of Bachelor of Arts or Bachelor of Science with a Postgraduate Diploma in Education.

III. Master of Education in Educational Psychology (Duration 2 years)

An honors degree of Bachelor of Arts with Education or Bachelor of Science with Education.

OR

An honors degree of Bachelor of Arts or Bachelor of Science with a Postgraduate Diploma in Education.

IV. Master of Science in Biology (Natural Resources Ecology, Management and Conservation) (Duration 2 years)

An honors degree in Botany, Zoology, Ethnobotany, Microbiology, Biotechnology, Biology, Forestry, Agriculture, Veterinary Medicine, Science Education (Biology major), Environmental Conservation or any other relevant field.

V. Master of Science in Biology (Microbiology and Parasitology) (Duration 2 years)

An honors degree in Botany/Zoology (Entomology & Parasitology, Hydrobiology, Plant Pathology **or** Genetics majors), Science Education (Biology major), Microbiology, Biotechnology, Veterinary Medicine or any other relevant field.

VI. Master of Science in Biology (Entomology, Pest and Vector Biology) (Duration 2 years)

An honors degree in Botany/Zoology, Forestry, Agriculture, Science with Education, Veterinary science/medicine and any other relevant field.

VII. Master of Science in Chemistry (Duration 2 years)

An honors degree in chemical sciences with a minimum CGPA of 2.85

VIII. Master of Science in Mathematics (Duration 2 years)

An honors degree of Bachelor of Science with Education, Bachelor of Science, or any other programme with sufficient undergraduate mathematics

OR

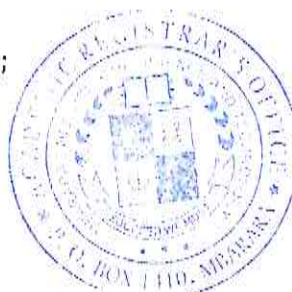

An honors degree of Bachelor of Science in Engineering, Bachelor of Science in Statistics, or Bachelor of Science in Economics (with mathematics minor).

IX. Master of Science in Physics (Duration 2 years)

An honors degree of Bachelor of Science or Bachelor of Science with Education, majoring in Physics

DOCTOR OF PHILOSOPHY

The University offers the following PhD programme;

- I. Doctor of Philosophy in Biomedical Engineering (Duration 3 years)
- II. Doctor of Philosophy in Mechanical Engineering (Duration 3 years)
- III. Doctor of Philosophy in Business Administration (Duration 3 years)
- IV. Doctor of Philosophy in Computing by Research (Duration 3 years)
- V. Doctor of Philosophy in Development Studies (Duration 3 years)
- VI. Doctor of Philosophy in Medicine (Duration 3 years)
- VII. Doctor of Philosophy in Educational Administration and Planning (Duration 3 years)
- VIII. Doctor of Philosophy in Educational Psychology (Duration 3 years)
- IX. Doctor of Philosophy in Curriculum Studies (Duration 3 years)
- X. Doctor of Philosophy in Biology (Duration 3 years)
- XI. Doctor of Philosophy in Chemistry (Duration 3 years)
- XII. Doctor of Philosophy in Mathematics (Duration 3 years)
- XIII. Doctor of Philosophy in Physics (Duration 3 years)

Minimum Requirements

- a) Uganda Certificate of Education (UCE) or its equivalent with at least 5 passes
- b) Uganda Advanced Certificate of Education (UACE) or its equivalent with at least 2 principal passes.
- c) An Honors degree from an accredited degree awarding institution
- d) A Masters' degree from a chartered degree awarding institution
- e) A Concept paper
- f) Supervision commitment letters
- g) Curriculum Vitae of proposed supervisor(s).

NOTE:

The programmes below are undergoing reaccreditation process by NCHE and therefore have not yet been advertised for 2026/2027 intake.

1. Higher Education Access Certificate
2. Master of Education in Educational Administration and Planning
3. Master of Education Educational Psychology
4. Master of Education in Curriculum Instruction and Media Studies
5. Master of Science in Biology (Natural Resources Ecology, Management and Conservation)
6. Master of Science in Biology (Microbiology and Parasitology)
7. Master of Science in Chemistry
8. Master of Science in Mathematics
9. Master of Science in Physics
